

Trinity Capital Inc. Provides \$60 Million in Equipment Financing to EarthDaily Analytics, Transforming the Future of Geospatial Solutions

Jul 31, 2025

PHOENIX, July 31, 2025 /PRNewswire/ -- [Trinity Capital Inc.](#) (NASDAQ: TRIN) (the "Company"), a leading alternative asset manager, today announced the commitment of \$60 million in financing to EarthDaily Analytics ("EarthDaily"), a premier provider of end-to-end Earth observation solutions.

EarthDaily delivers daily, high-quality, scientifically calibrated earth observation imagery paired with powerful AI and advanced geospatial analytics solutions to transform how industries and governments monitor critical assets, manage risk, and respond to dynamic environmental conditions. The company recently reached a major milestone with the successful launch of the first satellite in its 10-satellite constellation, marking the start of an advanced global end-to-end Earth observation and change detection system.

"EarthDaily is accelerating the next era of Earth observation technology," said Ryan Little, Senior Managing Director of Equipment Finance at Trinity Capital. "We are proud to partner with their team as they work to redefine how we understand our planet."

This new financing will help fuel EarthDaily's operations and complete deployment of its global satellite fleet.

"We're excited to add another high-quality capital partner and incredibly thankful to Trinity Capital for backing our vision," said Don Osborne, CEO of EarthDaily Analytics. "With this financing, we've now secured what's needed to fully deploy the EarthDaily Constellation. Built to be the most advanced system for broad-area change detection, this capability will set a new standard for how the world monitors and understands our planet."
